

Investing for Success

**Under this agreement for 2021
Warrill View State School will receive**

\$5,633*

This funding will be used to

- Ensure the explicit teaching of reading for all students by building teacher capacity through shared planning, coaching and professional development
- Provide targeted reading programmes for every student and intensive reading intervention for students identified through data as 'at risk'

Our initiatives include

- Improve the teacher and assistant teachers' instructional capability in reading and school pedagogical practices through coaching and professional development
- Regular review and tracking of students' progress in reading compared to school targets
- Applying intensive interventions to increase students' learning opportunities in reading
- Increase parental support for those wishing to know how to assist their child with reading and maths literacy skills by developing a PD for parents with our Learning Support teacher.

Our school will improve student outcomes by

Employing additional Teacher Aide time to support students requiring more intensive support in reading	\$4000
Supplement TRS days for : -teaching staff to participate in whole school data analysis - further professional development in reading -plan and implement reading information sessions for parents and community	\$1633
